

## **PERMISSION ALLOWING THE USE OF PHOTOS/VIDEOS AND MEDIA RELEASE INFORMATION.**

Dear parent/s/student,

As the **MPAL GRANITE STATE JUDO INSTITUTE** expands, and we become more active in the community as well as at various judo tournaments, there may be opportunities for this club to educate the public about the sport of Judo.

On occasions such as tournaments, clinics, judo camps and fund raisers we may be providing information about our club and events, as well as our judoka's achievements by taking photographs, videos and/or press releases.

Please fill out the permission form below.

Yours in Judo,  
Sensei/Coach, Robert Proksa.
